

2019 Clearwing and Crest Lawn Show

A big thank you to those who were able to attend the Clearwing and Crest Lawn Show that was held at Jackie's on Saturday 20th July. Numbers seem to be dwindling each year whether it be Club Shows or Lawn Shows but those present had an enjoyable and relaxing day.

On arrival Jackie had a scrumptious morning tea – scones, jam and cream, cheeses, pate, tea and coffee but to name a few. While munching we sat around and talked with guests from as far away as Sydney and the Sunny Coast. It was a time to catch up and discuss birds, successes and failures.

After Warren judged the birds we sat down to lovely hot soup, crusty bread, savoury mince and quiche followed by fresh fruit and mud cake.

We are adding a few more varieties to our list next year so keep a look out to see if you have any of those varieties and try and plan for the lawn show. It is always the day before the BRASEA Auction. If you attended this year see if you can get another exhibitor to come in 2020. Our winners for the day were:

Best Bird of the Day	Cedric
Best Nestfeather	Dawn
Best Clearwing	Cedric
Best Black Eye	Jack & Di
Best Violet	Jack & Di
Best Clearbody	Dawn
Best Fallow	Glen
Best White cap	Dawn
Best Dilute	Cedric

Congratulations to our winners who received some lovely prints or trophies on the day.

Thank You to those who donated to the Lawn Show or prizes for the raffle on Sunday. Garry from Morayfield Produce donated a bag of seed for the raffle. Thank you Garry. Jackie and her helpers did a wonderful job with the raffle. Thank you Jackie. Proceed from the raffle which Warren graciously allows us to run goes towards the show for next year. Thank you Warren.

Last but not least Thank You Jackie and Peter for making your home available for the Lawn Show even

though you had only been in your new home for a few weeks. Thanks Heaps.

Have a super breeding season everyone.
