NEW OPPORTUNITY FOR BIRD BREEDERS

Because Talking Birds is now distributed via email, I get no bills from a printer and Australia Post.

That means I have been able to slash advertising prices for people who sell birds.

When Talking Birds was distributed the old way the basic price for a boxed ad was \$52, with extra charges for colour and for photos.

Colour is now FREE and photos are also FREE.

Email and website addresses in boxed ads are interactive, meaning readers won't need to key in those addresses, instead all they need to do is click on the address they want to go to.

Boxes booked for 12 months cost \$20 each, \$25 if booked for six months and \$30 if booked for three months.

The second page of this message is a ready reckoner with pricing for all boxed ad sizes.

There is no better or more economical way to sell birds via an Australian bird magazine.

More information can be obtained by emailing me at lloyd@talkingbirds.com.au or by calling me on 03 5983 2566.

I look forward to hearing from you

Best regards,

Lloyd Marshall.
