NEW OPPORTUNITY TO PROMOTE YOUR CLUB

Bird clubs are the backbone of aviculture in Australia and since its inception in September 2004 Talking Birds has always had a full page of club contact details as well as publishing as much bird club news as possible every month.

I am happy to be able to provide more avenues for clubs to promote themselves.

Australia's most economical bird keeper boxed ads are in Talking Birds, with a price of \$20 per box per month if booked for 12 months.

Clubs can now promote themselves for HALF THAT PRICE, just \$10 PER MONTH, booked for 12 months.

But that's not all — each club will receive a FREE article in Talking Birds with information on the club, its history, what it provides for members, etc.

That article will be uploaded to the CLUBS section of the Talking Birds website AT NO COST.

No other Australian bird publication offers these opportunities to clubs.

More info can be obtained by emailing me at lloyd@talkingbirds.com.au or calling me on 03 5983 2566.

I look forward to hearing from you

Best regards,

Lloyd Marshall.
